Home Improvement Services

Top quality, professional
services you can trust.

Loans and grants for Arlington
homeowners with low- and
moderate-incomes to improve
or expand your home.

*“AHC is committed to providing affordable housing for Arlington residents
and I’ve been very impressed with their home improvement program.”*
- Andres Tobar, Executive Director, Shirlington Employment & Education Center

Services

Home Improvement Loans. AHC’s Home Improvement Services provides low-interest loans and grants to help low- and moderate income homeowners renovate or improve their homes, including increasing energy efficiency. Since the program started in 1975, AHC has helped more than 1,200 Arlington residents. Loans are available up to \$130,000, depending on individual circumstances, and have fixed interest rates between 2 to 6 percent for terms up to 30 years.

Accessibility Improvement Grants. This program offers grants to help physically challenged homeowners make their homes more accessible so they can continue to live safely and independently in their own homes. AHC can install handrails, stair lifts, wheelchair ramps and other improvements. Grants are available up to \$3,000.

Construction Management Services. As part of the program, at no additional cost to homeowners, AHC also provides experienced construction management services to make sure projects are completed professionally and on time. AHC’s experienced managers take care of the details - so you don’t have to worry.
